Proceedings of the Government of Mysore,

READ—

Letter No. 6510—282, dated 25th February 1898, from the Excise Commissioner in Mysore.

I have the honor to submit herewith, for early approval and publication, a draft Notification embodying modifications and additions to the existing Toddy Rules, so as to make the rules adapted to the Tree-tax system, which is proposed to come to force in its entirety from 1st July 1898.

2. Under the Preliminary Tree-tax system, in the current year 1897-98, we have (1) "Aiyan" (Direct supply farms), (2) Aiyan "Kumki" (Direct supply farms, aiding other farms) and (3) "Angadi" (Independent shop farms). Under farms (1) and (2) both the right of vending toddy in the shops belonging to them and the right of drawing toddy in the groves assigned to them, have been leased on condition that the total farm rent which the lessees have agreed to pay shall be made up of—

(*a*) the tree-tax at the prescribed rates for the toddy-yielding trees tapped by them; and

(*b*) shop rental, being the difference, if any, between the total farm rent and the tree-tax payable for the trees tapped by them.

Therefore from the total farm rent which they have agreed to pay, the amount of tree-tax due for the trees tapped by them is deducted, and if any balance is left, such balance is treated as shop rental, but if, at the close of the year, no balance remain, or the tree-tax exceed the total farm rent, the whole of the realizations will be treated as tree-tax. Under farms No. (3), which are independent shops with no groves assigned to them, the right of vending toddy alone has been leased, so that the *whole* of the purchase money thereof represents shop rental, and the tree-tax of the trees, which the lessees of these farms have to obtain under their own private arrangements, being quite *distinct* from such shop rental, the whole of it is separately credited under the head "Tree-tax."

3. From 1st July 1898, both the "Aiyan farms" and "Aiyan Kumki farms" will cease to exist, as the right of drawing toddy in the groves assigned to them will not be leased along with the right of vending toddy in the shops belonging to them; but only the right of vending toddy either in individual shops or groups of shops, according to the circumstances of each locality, will be leased on condition that the lessees shall pay tree-tax at the prescribed rates, with local cess thereon, for the trees tapped by them either in the Government or Inam groves assigned to them, or elsewhere, so that, from and after the year 1898-99, only "Angadi" or independent shop farms will be in existence.

4. As no local cess is payable on the license fees of shops, (shop rental), that item has been omitted in the chellans, &c., relating to shop rental, as in the case of the rentals of arrack and drug shops.

5. Wherever toddy-yielding trees are not within easy reach of shops, they cannot be taken up and worked individually by small capitalists. In such localities, *viz*, Bangalore City, Civil and Military Station, Devanhalli taluk, Sidlaghatta taluk, &c., the shops have to be grouped and sold, as in the case of arrack shops, to enable large capitalists, who can afford to bear the heavy cost of carriage, &c., to bring toddy from long distances, to take them up.

6. A memo is attached explanatory of each of the principal modifications and alterations made in the Notification and Licenses.

7. I beg to request that 500 copies of the revised rules may be ordered to be supplied to my office for distribution, and 2,000 copies to the Government Book Depôt for sale.

Explanatory memo showing the object and reasons for each of the principal modifications and alterations in the draft Notification regarding Toddy Rules and Licenses.

1. *Draft Rules.*—As the "Aiyan Farms" and "Aiyan Kumki Farms" under the farming system hitherto in force, will cease to exist under the "Independent shop system" and "Tree-tax system" which are proposed to be introduced from 1st July 1898, the old Rule II is struck out, the requisite provision regarding the shops in alienated villages, being added to Rule I.

2. The words "unless revised by the Excise Commissioner or by Government" after the words "such formal confirmation will," in para 1 of Rule IV are inserted for the reasons referred to in correspondence ended with my letter No. 1886—106, dated 30th August 1897.

3. The addition after the word "Discretion" in the first sentence of para 1 of Rule IV, is made to enable the Deputy Commissioners of districts to take necessary precautionary measures for guarding against the loss of revenue in the event of reasonable bids not being received for any individual shops or groups of shops.

4. The last sentence in para 1 of Rule IV is struck out, it being inconsistent with the first sentence thereof. It has also been omitted for the same reason in para 1 of Rule XXI in the revised Arrack Rules sanctioned in Government Notification No. 371—Ex., dated 12th March 1897.

5. The proviso in the first sentence of para 2, Rule IV, is inserted to enable Government to dispense with initial deposits at discretion. Such provision has also been made in para 2 (*b*) of Arrack Rule XXI.

6. The initial deposit which had been fixed at Rs. 50 in para 2 of Rule IV, in the case of vend farms, is reduced to Rs. 10 in the case of individual shops and Rs. 25 in the case of groups of shops, the sum of Rs. 50 being too large as regards individual shops or groups of shops.

7. As no provision for the execution of security bonds by the sureties of the lessees, existed in the old rules, the requsite provision is made in para 4 of Rule IV, in view to legalize the present practice of taking security bond from them.

8. The old para 5 of Rule IV is omitted, as the particulars of the shops, groves, &c., are published in sale notifications for the information of the public.

9. The additional clause (1) of para 5 is intended to show to the lessees of shops and groups of shops how they have to obtain the supply of toddy to their shops.

10. The additional clause (5) of para 5 of Rule IV is inserted in the rules, as it now exists in License A, *vide* clause (8) of para 3 of the License.

11. The altered clause (6) of para 5 of Rule IV regarding minimum retail rates, is what has been already sanctioned in Government Proceedings No. 613-22—Ex. dated 2nd April 1897.

12. Clause (8) of para 5 of Rule IV is altered so as to legalize the present practice of issuing licenses to toddy depôts.

13. The addition to clause (9) of the above para is to make it consistent with the existing clause (8) of para 7 in the sale notification.

14. Old clause (13) of the above para is struck out in consequence of the revised rules issued under the arrangements lately entered into with the Madras Government.

15. The addition to para 5 of Rule V is necessary to make it obligatory on the lessees to point out the trees applied for by them, for being readily marked. Such rule exists in Madras.

16. The addition made to para 8 of Rule V is what has been already sanctioned by Government in Proceedings No. 613-22—Ex. dated 2nd April 1897. *Vide* para 7 of the form of agreement appended to the Proceedings.

17. Para 10 of Rule V is altered so as to make it conformable to para 2 of Tree-tapping License No. 5 (A). The tree rent will not, however, be levied from the shop-keepers in the Mysore State for 1898-99 as stated in the sale notification, it being necessary that they should not be burdened with such additional payment until they gain full experience of the details of the tree-tax system proper.

18. The tree-tax being duty on toddy, it has to be prepaid before the removal of toddy from the tapped trees. Accordingly in the Madras Presidency one-half of the tree-tax has to be prepaid at the time of application for the tree-tapping license. I have, however, fixed it at one-third to make the prepayment easier for the lessees, and have modified para 11 of Rule V accordingly.

19. Whether the trees are stunted in growth or not is a departmental matter for the Officers of the Department to readily ascertain and settle; and therefore clauses (3) and (5) of para 17 of Rule V are altered so as to enable Divisional Officers of the Department to dispose of such cases without loss of time.

20. Clauses 6 and 7 of para 17 of Rule V, which exist in the Madras Presidency, being important, have been adopted.

21. *License A.*—The alterations and additions made in License "A are in consequence of those made in the above rules. In condition 21 the words "Unfit for human consumption" are substituted for the words "Drawn more than two days previously," as it has been found from experience that toddy even four days old would, if properly preserved, be fit for human consumption.

22. *License C.*—It is undesirable to keep Toddy Depôts open after sunset, more particularly as toddy shops have to be closed by 9 P. M., under condition 14 of License A, hence the alteration of condition 6 in the Depôt License.

Excise, dated 14th June 1898.

To—The Excise Commissioner in Mysore.
The Comptroller, Mysore Government.
The Deputy Commissioners of Districts.

No. 11676—*Ex.* 476, *dated 14th June* 1898.

Under Sections 5, 13, 20 and 55 of the Excise Act XXII of 1881, as amended by Act VI of 1885, and introduced into Mysore by Regulation III of 1885, the Government of Mysore are pleased to make the following Rules in supersession of all existing rules on the subject of the disposal of the exclusive privilege of selling Toddy in Shops or Groups of Shops and the grant of Licenses for sale, for the tapping of Toddy-producing trees, &c.

Part I.

I. The exclusive privilege of selling toddy in each shop or group of shops, for each year or any other period that may be specially fixed by Government, shall be disposed of by sale by public auction. Toddy shops in alienated villages shall be separately sold, and the amounts connected therewith shall be shown in the accounts under a distinct head.

II. The sales shall be conducted by the Deputy Commissioner or by an Assistant Commissioner specially authorized by the Deputy Commissioner in that behalf.

III. The results of sales shall be reported to the Excise Commissioner without delay.

IV. The terms and conditions of sale and the issue of licenses shall be as follows:—

1. The exclusive privilege of selling toddy in each shop or group of shops, as may from time to time be notified by Government, shall be put up to public auction at upset prices, and except as hereinafter provided, knocked down to the bidder offering the highest amount of rent above those prices. The licensee is not required to make any additional payment on account of local cess. The officer conducting the sale shall be at liberty to revise when necessary, the grouping of shops and to accept or reject any bid at discretion, or to sell the said privilege in any particular case by means of tenders or by private negotiation. The sale in every case shall be subject to the conditions hereinafter set forth, and shall, unless revised by Government, take effect upon formal confirmation by the Deputy Commissioner. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit, which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former licensee who has been guilty of an infringement of the terms of his license or of the Excise Law or Rules thereunder shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the licensee breaking down.

2. Parties intending to bid must attend either in person or by duly authorized agents; and no person shall be permitted to bid either on his own behalf or on account of any one else until he has made a deposit of Rs. 10 in the case of individual shops, or Rs. 25 in the case of groups of shops, or such other reasonable amount as may be fixed by the Officer conducting the sale. Such deposits will be returned at the close of the sale.

3. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next shop or group of shops is put up for sale, deposit a sum equal to one-twenty-fourth part of his bid for the year, that is to say, one-half of the monthly rent; and within fifteen days of the confirmation of the sale by the Deputy Commissioner being notified to him in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent. Within ten days after the expiry of the period allowed for making the deposit of three months' rent as above, the purchaser of the exclusive privilege shall execute an agreement binding himself to observe the conditions hereinafter set forth as well as those specified in the license to be issued to him; and his surety, if any has been accepted under the next following para, shall execute a bond in the prescribed form binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner, for the due fulfilment by the purchaser of the terms of his agreement. If default is made in making the deposit or deposits or in executing the agreement or the security bond if any, within the time allowed therefor by this para, the exclusive privilege shall be forthwith resold or otherwise disposed of by the Deputy Commissioner at the risk of the first purchaser, who shall forfeit to the Government any deposit or deposits already made by him and shall further be liable to make good any loss by the resale or other disposal but shall not be entitled to any gain by the resale or other disposal. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

4. The deposit made under the preceding para shall be either in cash or in Government of India Securities or Mysore Debentures duly endorsed in favor of the Deputy Commissioner. Provided that in lieu of a deposit of three months' rent as above, the Deputy Commissioner may, in his discretion, allow any purchaser to deposit one month's rent as above, and to furnish approved personal security for an amount equal to four months' rent.

5. As soon as the agreements and bonds have been executed, the Deputy Commissioner will issue a license in the prescribed form A, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(i) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to Tree-tax Rules, toddy-yielding trees in the groves assigned to his shop or group of shops; and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. He may purchase toddy from any other licensed toddy shop-keeper on application to the Supervisor who will grant the necessary permits on proof of the necessity for the same.

(ii) The exclusive privilege shall extend to the sale of date, palmyra, cocoanut, bagani and dadasal toddy.

(iii) The amount of rent shall be payable into the local Government Treasuries on printed chellans, (in Form B appended) in equal monthly instalments commencing from 1st July of the year to which the license relates. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, by record in writing, cancel the license, order the forfeiture of all deposits made by the defaulter, and proceed to resell or otherwise dispose of the shop or group of shops at the defaulter's risk

as soon after the last day of the month as may be possible. Provided, however, that instead of reselling the same, as above, the Deputy Commissioner may, in his discretion, direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents the aggregate of which is not less than the rent the defaulting licensee had agreed to pay.

(iv) The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the license. All arrears and deficits payable by a licensee shall with interest at 6 per cent per annum be recoverable from him or his surety under the rules in force for the recovery of land revenue. Interest shall be calculated on all arrears from the date of default and on deficits from the date of resale.

(v) If the Deputy Commissioner does not confirm the resale, he may make such other arrangements as may appear advisable for the remainder of the period of the license, in which case he shall serve a notice on the defaulting licensee informing him of the nature of the arrangements made.

(vi) Toddy shall not be sold to the public, at less than the retail rates, from time to time notified by Government.

(vii) Toddy shall be sold pure as drawn from trees and shall not be adulterated or diluted in any manner in the shops, or depôts if any.

(viii) If the licensee of a group of shops wishes to establish a depôt for depositing toddy required for distribution to his shops, he shall obtain a license for it in the appended form C. The licensee of the depôt shall keep true accounts of the quantity of toddy received in the depôt and issued to the shops. The passes issued with the toddy transported shall be subject to examination and check by the officers authorized on this behalf.

(ix) Toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form A, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open or the disposal of toddy in any other manner, unauthorized by the Rules, are strictly prohibited. The licensee of each shop will be required to keep an account of the receipts and expenditure of toddy in his shop.

(x) The Deputy Commissioner may, whenever he thinks fit, direct any shop or shops to be closed, or permit transfers of shops from one place to another within two hundred yards of the original sanctioned site.

(xi) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack, nor permit any person having interest in the exclusive privilege of vending arrack to hold any share or interest in his exclusive privilege of selling toddy, nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any toddy shop or farm outside the territories of Mysore.

(xii) The licensee shall be bound by the provisions of the Excise Law and Rules thereunder for the time being in force and by the terms and conditions of the license. The licensee shall use such measures of capacity as may from time to time be prescribed by Government, and provide himself with permits for the transport of toddy. Printed forms of permits may be purchased from Excise officers.

(xiii) The license shall not be transferable except with the permission of the Excise Commissioner.

6. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers,

(*b*) of toddy shop-keepers in British Territory desirous of obtaining toddy from trees growing in the Mysore Territory but free from payment to the Mysore Government of the tree-tax prescribed in para 14 below, and

(*c*) of tree-owners in coffee estates, hittals and kans in the malnad free of the tree-tax prescribed in para 14 below for the number of trees fixed by the Excise Commissioner for the drawing of toddy for *bona fide* domestic purposes as per Notifications Nos. 242 and 24560—R. 3597, dated 24th March 1885, and 22nd June 1895.

The licenses may be issued in the name of the applicant himself or of his nominees.

7. Applications for the grant of tree-tapping licenses must be made, in the prescribed form, to the Excise Supervisor of the Range concerned. Forms may be obtained from him or the Inspectors under him.

8. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent. Applications for tree-tapping licenses for trees in State Forests and Plantations should be countersigned by the Forest Range Officer in token of his consent.

9. Persons applying for the issue of licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed therein to be tapped.

10. On receipt of an application, the Supervisor will at once take steps for the marking of the trees by an officer superior in rank to an Examiner and for the timely issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

11. Deputy Commissioners may, subject to the orders of the Excise Commissioner, from time to time, prescribe the minimum number of trees for which licenses will be granted and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

12. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer. But the preparation of the spathes for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Supervisor.

13. For all toddy-yielding trees, tree-tapping licenses shall be annual. For the convenience of applicants, applications will be received, trees will be marked, and licenses will be issued during the fifteen days immediately preceding the period, to which they relate, to take effect from the commencement of such period, provided that no toddy shall be drawn except during the currency of such license.

14. No tree shall be tapped for toddy without a license therefor to be obtained by payment of tree-tax at the following rates :—

Tree.	Tree-tax per annum for each tree including local cess. Rs. a. p.
Date	... 1 1 0
Cocoanut	... 2 2 0
Palmyra	... 1 9 6
Bagani or Sago Palm	... 1 9 6
Dadasal (Aronga wightii)	... 0 8 6

NOTE.—The licenses will be free of tax to the Mysore Government in the cases specified in para 6 (*b*) and (*c*) above.

Excise, dated 14th June 1898.

15. In addition to the above tax, tree-rent at annas four per tree per annum or at such other rate as may from time to time be fixed by Government with local cess thereon shall be paid by the applicant for Government trees tapped by him, the amount being credited to the respective departments concerned. Provided that the Government may waive the levy of such tree-rent for such period as they think fit, on account of Government trees tapped by licensees of shops in the Mysore State. No trees upon Government occupied land can be tapped without the consent of the owner. The rate of tree-rent payable for such trees shall be settled by the applicant with the owners thereof. The present arrangement as regards trees in alienated land will hold good subject of course to the levy by Government of tree-tax.

16. The tree-tax shall be payable on printed chellan as per appended form D in the following instalments, unless the Excise Commissioner shall otherwise direct :—

Period within which license is applied for.	Proportion of tree-tax to be paid at the time of application for license.	Proportion of tree-tax to be paid before the end of the month following.
Between 1st July and 30th April ...	One-third ...	The remaining two-thirds.
Between 1st May and 30th June ..	The whole ...	None.

17. Under the arrangement which has been arrived at with the Government of Madras, the tree-tax on toddy produced by the trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government, and *vice versa*. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. The following procedure shall be observed on the subject—

(i) Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form D, and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a transport permit from the Supervisor concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depôt for which it is intended, after having complied with all requirements of the Madras Government Rules.

(ii) A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Tahsildar's Treasury concerned, in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Tahsildar, after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

(iii) The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in the State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department for the purpose of giving them rest or for other reason considered sufficient by the officer refusing the license. The issue of

licenses, marking of the trees, &c., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higher rate of the tree-tax, whether British or Mysore, if the rate is not the same on both sides of the frontier.

(iv) The Supervisor concerned in the Mysore State will issue transport permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British Officer to grant permits from the frontier on to the destination of the toddy.

(v) Transport permits for toddy exported by rail will be given in batches of seven or any other requisite number, one for each day, to allow of a transport permit being invariably attached to the Way-bill.

18. In the tree-tapping licenses granted on the application of British renters and shop-keepers, the following rule will be inserted :—

"All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into the Madras Presidency, under a general transport permit granted by the Deputy Commissioner of the District, or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unauthorized by the Rules in force, are strictly prohibited."

19. Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any officer duly empowered by it in this behalf.

20. Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Supervisor of the Range in Mysore Territory through which the toddy is being transported.

21. Every person to whom a tapping license is granted for the manufacture of toddy, either for local consumption or for export to British Territory, shall observe the following rules in tapping date trees :—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be overtapped or overworked.

(*d*) In no date tree shall the initial incision be made at any point less than three feet from the ground, except in places where permission is specially given.

(*e*) No date tree shall be cut to a greater depth than one-third of its diameter.

(*f*) Every fresh incision shall not be less than one foot above the last incision, except in localities where permission is specially given.

(*g*) Not less than eight leaves shall be left on each tree.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him, or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree which may die from over-tapping or careless tapping either during the lease or within six months after its expiration.

22.
